4th Edition Summit on GLOBAL CHEMICALS & PETROCHEMICALS MANUFACTURING HUBS IN INDIA

13th - 14th November 2025 | Bharat Mandapam, New Delhi

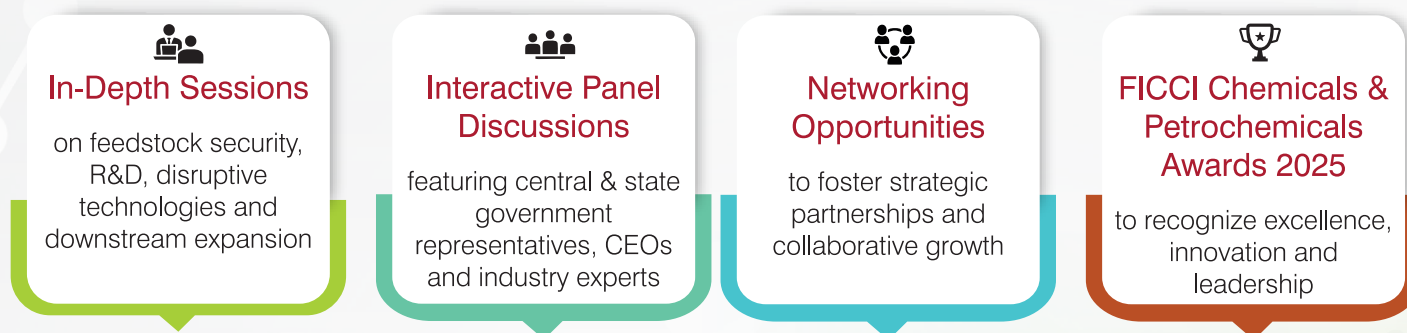

Transforming Tomorrow: India at the Forefront of
Chemical and Petrochemical Manufacturing

Overview

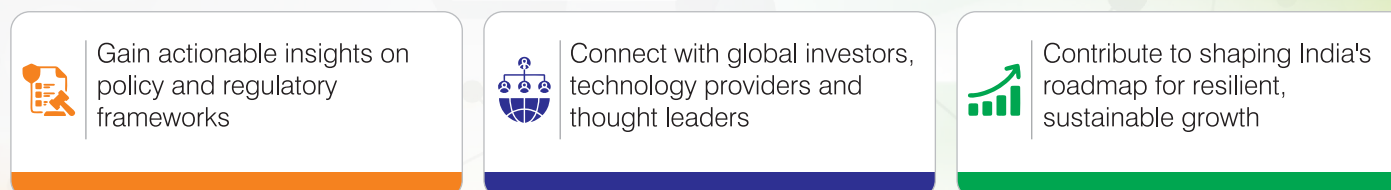

GCPMH 2025, jointly organized by the Department of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, Government of India and FICCI, brings together global leaders, policymakers, captains of industry and subject-matter experts to chart the future of India's chemical and petrochemical sector. Building on the success of our biennial summit since 2019, this edition will spotlight India's ascent as a leading global manufacturing hub.

Summit Highlights

सत्यमेव जयते

Government of India
Ministry of Chemicals and Fertilizers
Department of Chemicals and Petrochemicals

The Ministry Chemicals & Fertilizers implements policy and programmes for achieving growth and development of the chemical and petrochemical sectors in the country.

Industry's voice for policy change

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.
